

## **Self Employed 401 K Provider Sense Financial to Be Recognized With BBB Accreditation**

*Sense Financial, provider of Self Employed 401 k and Self Directed IRA plans, is proud to announce its admission to BBB Accredited Business Directory.*

Better Business Bureau (BBB) just announced the admission of Sense Financial to their BBB Accredited Business Directory. This is a major testimonial to the hard work and solid credibility of Sense Financial, the leading provider of Self employed 401 k account.

BBB is the most reliable evaluator and most objective expert on the topic of trust in the marketplace, working to create a community of trustworthy businesses. The organization has been promoting businesses with integrity to create a better marketplace. BBB has helped millions of people find trusted and reliable businesses through their online and in-person services. Businesses in BBB Accredited Directory are only recognized after a thorough evaluation and are required to follow a strict code of fair and ethical standards to upkeep their status.

As a BBB Accredited Business, Sense Financial confirms its standing as one of the leading businesses in retirement planning. The company worked hard to provide guidance and help clients achieve financial freedom through self employed 401 k and Self Directed IRA plans.

Sense Financial specializes in providing Self Directed IRA and Solo 401k retirement solutions. With these innovative retirement plans, many investors have achieved true control over their retirement account and make investments without custodial consent. Not only that, account holders of Solo 401k and Self Directed IRA can now invest in non-conventional assets instead of being restricted to a stock and bond portfolio.

With these powerful tools, Sense Financial has assisted hundreds of clients to their satisfaction. The company prides themselves as the leading provider of self employed 401 k and other retirement plans for self employed individuals. Being accredited by a major business evaluator such as BBB is a much deserved honor and a testament to the team effort over the years.

Sense Financial is California's leading provider of retirement accounts with "Checkbook Control": the Solo 401k and the Checkbook IRA. Over the years, they have assisted hundreds of clients obtain checkbook control over their retirement accounts while providing them with the ability to invest in virtually any investment class, including real estate, private lending, mortgage notes and much more without the need for custodian approval.
